## Thank you State Representative Bryan Lentz!

State Representative Bryan Lentz's office was instrumental in aiding the WBA in getting its first Grant! We applied one year ago and after dotting all our "i's" and crossing all our "t's" it was approved. The money will be used for additional trash receptacles in the downtown area. This will help tidy up our streets and help alleviate overflowing trash cans. With this first Grant under our belts we are working with the township on bigger and better Grants to improve our Friendly Village of Wayne!
